This is a great way for the girls to revisit skills from last year, practice over the summer, learn new skills to be prepared for the upcoming year, and help us gauge whether or not a dancer needs to move up or down in an age group. **Please visit Studio Director under “EVENTS” in order to register your daughter for her respective workshops.** We can't wait to have everyone back in the studio!

These workshops are not mandatory, but they are HIGHLY RECOMMENDED in order for your daughter to be fully prepared for her class in the fall
